Mr. Charles C. Flowerree  
Director, Office of Systematic Review  
Bureau of Administration  
Department of State  
Room 1239, New State Building  
Washington, D.C. 20520

Dear Chuck:

1. We have completed our review of the manuscript Foreign Relations of the United States, Volume V, 1955-57, Germany and Austria, and have coordinated it with both the Directorate of Intelligence and Directorate of Operations. Our decisions are recorded on the attached list of twenty documents which we request be either withheld (4 documents) or sanitized (16 documents). In addition we have tabbed those twenty documents for your convenience and have marked those portions we wish deleted.

2. In Section VI - German Democratic Republic, we noted that document 15, pages 1924-1948, and document 22, pages 1971-1974, appear to be identical. The difference is that document 15 has an additional page "Supplementary Statement of Policy". You may wish to withdraw one of these documents.

3. This letter provides our clearance of this volume, subject to the withholding and/or sanitization of the documents as we requested, and contingent upon your assurance to us that there is no further material intended for publication in this volume which is of interest to this Agency and which has not been reviewed by us.

Sincerely,

[Redacted Signature]

Chief, Classification Review Division  
Office of Information Services  
Directorate of Administration
